Filled With Brief Mention of Many Minor Events of Yesterday.

Luke Sigma was fined \$10 for indecent exposure by Judge Snell yesterday.

John Stephenson was fined \$5 in the police court yesterday for working a sick horse.

The Master Plumbers' association have decided to refuse to accede to the demand of the laborers for \$2 a day.

Four cases against William S. Whitford for forgery are on the assignment for trial in the criminal court to-day.

The office of A. H. Almy, No. 515 Fourteenth street, was entered Tuesday night, and some articles stolen.

A fire at 1001 Tenth street yesterday morning, caused by a defective flue, did \$200 damages, covered by insurance.

Dennis Donaldson was sent to the reform school yesterday by Judge Snell for stealing a gold chain from Mrs. Rainey.

Charles Johnson, Levi Jones, and Robert Cole were fined \$5 in the police court yesterday for assaulting three little girls.

The following cases will be called for arraignment in the criminal court to-day: Robert C. Kerstine, perjury, and Thornton K. Richardson, embezzlement.

A colored man, in Henry county, Ga., got fifty-seven persons out of one hollow tree; he sold them all, and the best thing he purchased was a bottle of Dr. Bull's Cough Syrup, the only safe remedy for coughs and colds.

Joining the Strikers.

Mr. E. F. Jones, one of the master bricklayers, yesterday brought from Petersburg, Va., twenty-seven laborers, three of which were white. Shortly after their arrival by boat the strikers captured all of them except five colored and the three white men. They were induced to come to this city by a promise of \$2 per day and that a great many of the hod carriers of this city had got into office since the last election and that a great many had left the city. A member of the union stated that a committee went to the wharf and represented the state of affairs, whereupon they refused to go to work. They will shortly return to their homes.

A WHOLESOME SMOKE are the "Seal Skin Cigars." They do not create an unusual quantity of saliva—only natural excretions follow their use. No deleterious matter is permitted in their manufacture. BARNHART & HAMILTON, Wholesale Agents.

The Weekly Death Rate.

The number of deaths occurring last week was 76—41 white and 35 colored—the mortality being 19.75 per 1,000 per annum for the whole. The principal causes of death were: Consumption, 13; pneumonia, 12; bronchitis, 4; scarlet fever, 4; measles, 3; apoplexy, 3; heart disease, 4; conge, 2; and typhoid fever, 1. Marriages reported, 13; white and 12 colored; births reported, 19 white and 33 colored. Patients treated by physicians to the poor, 244. Deaths from consumption of the lungs were 13, or over 17 per cent., and from all pulmonary diseases 31, or over 40 per cent. of the total—in other words, nearly one-half of the deaths last week were from pulmonary diseases.

Reputation of a Wine.

Dropsical and rheumatic persons find the use of Sperry's Port Grape Wine, of New Jersey, of incalculable benefit. Its purity and valuable properties have given it a wide reputation among physicians throughout this country and Europe. It is excellent for debilitated families, and used by the best families in New York and Washington as an evening family wine. For sale by grocers and druggists.

The Battlefields of the Rebellion.

Maj. J. H. Stine, historian of the old 1st army corps, is in daily receipt of a large number of letters from prominent veterans at the north, promising to participate in the visit to the battlefield of Fredericksburg, Va. The principal point of interest will be the slope upon which the Irish brigade made several desperate charges and were repulsed with heavy losses each time by Barksdale's Mississippians, who supported the terrible masked battery on the opposite side of a deep ravine. The committee of Washington veterans are making active preparations for the event, which will take place May 15.

A Card.

To all who are suffering from the errors and indiscretions of youth, nervously, early decay, loss of manhood, etc., I will send a recipe that will cure you, free of charge. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the Rev. Joseph T. Inman, Station D, New York City.

Lecture at the High School.

The Wednesday miscellaneous exercise at the high school yesterday consisted of a lecture on political economy by Dr. Gregory, of the civil service commission. This is the second time that Prof. Gregory has addressed the school on this exhaustive subject, and on each occasion has given the students an excellent general idea of the science which he has made a life long study. These lectures have been the means of awakening a new interest in political economy among the students of this institution.

The Young People and the Poor.

The American Social club, composed of some of the youths of our city, who have been entertaining themselves and their friends with amateur theatrical performances during a few years past, have determined to raise some money for the aid of the poor by giving a performance at Timma's hall, Seventh and D streets, at 8 p. m., this evening. These young people deserve to succeed in their laudable enterprise, and it is to be hoped that the public will turn out in large numbers.

The Cantine Court Martial.

The court martial trial of George Cantine, on trial for robbing bodies at the wreck of the City of Columbus, was resumed at the navy yard yesterday. Messrs. Moore and Wright, the prisoners' counsel, made extensive arguments. The Judge-Advocate said that he had no argument to make and the case was submitted to the court for a verdict. It is not probable that the cases against Morgan and Boswell will be prosecuted.

More About Minter, the Murderer.

Minter, the wife murderer, received the news of his respite from hanging for two weeks yesterday in a very cool manner. He said when told of it, "Is that so?" His religious preparation still continues, and the jail authorities have prepared the hangman's knot and arranged the gallows for the ghastly occasion.

Filling up the Ranks.

Mr. Charles E. Nicol, of the bar of the supreme court of appeals of Virginia, was yesterday admitted to the bar of this city, and the application of Mr. Henry V. Coldough was received and referred to the committee of examination.
